OUR STORY

Established in 2018, Lovebird is a family-owned restaurant by the creators of Jules Thin Crust with one primary objective – to elevate the way fried chicken is made. We source our chicken from trusted family farms that raise birds without antibiotics or added hormones, using high-quality vegetarian feed and humane farming practices.

We prepare every order by hand for every customer, using only the freshest ingredients, with recipes crafted and perfected in house. We stay diligent in providing a friendly environment for our customers with gluten sensitivities and allergies. We are committed to offering healthy, satisfying options for the whole family.

For us, love is always in the making.
We trust you'll taste the difference,
And we can't wait to welcome you to our family.
